Tumse milana, baate karna, bada achchha lagata hai
Kya hai yeh, kyon hai yeh, kya khabar, hai magar jo bhee hai
Bada achchha lagata hai
Tumse milana, baate karna, bada achchha lagata hai
Tere chhotee chhotee baat, teree har ek mulaakaat
Tadpaaye mujhako lamaha lamaha tera saath -2
Kya hai yeh, kyon hai yeh, kya khabar, hai magar jo bhee hai
Bada achchha lagata hai
Behake behake mere din, mehakee mehakee meree shaam
Kore aanchal te saja mai toh likhu tera naam -2
Kya hai yeh, kyon hai yeh, kya khabar, hai magar jo bhee hai
Bada achchha lagata hai
Tumse milana, baate karna, bada achchha lagata hai
