Tune kaha jab se ha
Ye lab muskurane lage
Mujhme jagaye dil dhadakne laga
Maine sapne sajane lage
Tune kaha jab se ha
Ye lab muskurane lage
Pal me hasaya pal me rulaya
Tu ne mujhe hay kitna sataya
Kuch sadme the kuch doori thi
Kuch meri bhi majboori thi
Kaise guzri raate kaise kate mere din
Tere hi liye bas zinda rahi tere bin
Zinda raha tere bin
Mujhme jagaye dil dhadakne laga
Maine sapne sajane lagi
Tune kaha jab se ha
Ye lab muskurane lage
Rut ye milan ki ye purvayi
Kitni dua ke baad hai aayi
Ek pal bhi na rahe akele
Aa ke mujhe tu baaho me le le
Aa ke paas tere har dard jane laga
Chu ke teri saase mujhe chain aane laga
Mujhe chain aane laga
Mujhme jagaye dil dhadakne laga
Maine sapne sajane lage
Tune kaha jab se ha
Ye lab muskurane lage
Mujhme jagaye dil dhadakne laga
Maine sapne sajane lage
