Bright colour tera LED sa
Pink colour de lip Bright colour tera LED sa
Pink colour de lip
Cocktail naal bhari galasi
Peeve sip sip Round round tu beat ke upar
Jadon ghumaave hip
Teri taur te dil mundeya de
Maare sau sau flip Nachdi nu vekh ke
Mundeya nu gash paye
Aashiqan da dil kar kukduka!
Ho kudiye.. Naal naal jachde me and you
Lakk tera thumke tunu tunu (x4) Tunu tunu! O saddi gali aa mahiya
Tenu kutte pawaavange
Kal waali sotti da
Tenu maza chakhavaange
Ho rela waaleya rela nu vech ke
Naya byah kar le bhabhu nu vech ke Ni bhabho nahi vikdi!
Bhabho nahi vikdi, ae maal purana ae
Tenu bechanga jad dus lakh laana ae
Oye tenu bechanga jad dus lakh laana ae Sun reh gaya aasmaan pe
Moon aa gaya thalle
Tujhe dekh ke dil kehta hai
Hun nahi rehna kalle Mujhe dekh ke mirror mera
Din raat tareefein karda
Jis nu dekho 100% mere utte marda Party vich dono ne rang hai jamaya
ONE plus ONE hoke ban jaan TWO
Oh kudiye.. Naal naal jachde me and you
Lakk tera thumke tunu tunu (x4) Tunu tunu!
