Rikid sikids si duniya challe, peer bhi challe
Balle balle, ho gayi, haan ho gayi
Ho hasi kushi mein gum ki tuddi
Hawa mein huddi woh ka tale kho gayi, haan kho gayi
Chodo chodo sab rone dhone, chodo chodo dukh aadhe kore
Dekho dekho din sone mone, yehi life ki gist
And we twist, we twist, we twist, we twist - 4
Sone mone malla malli, kar gaye talli
Aankh wankh se lad gayi, haan lad gayi
Botal shotal kholi bina
Daru saru bin pete hi chad gayi, haan chad gayi
O o o dekho dekho sab ghum raha hai, dekho dekho jag jhoom raha hai
Yahan wahan dil dhundh raha hai, abb khushiyon ki list
Everybody in spot tonite
And we twist, we twist, we twist, we twist - 4
Lets start some ronauk shounak, lets have some party now
Lets have some raala rappaa, rang de chak no matter let them say
Lets have some dhol dhamaaka, lets call the dholi now
Lets have some matti tappa
Chalo chalo ji lak lak gaao lo, chalo chalo ji mauj mana lo
Chalo chalo ji nach lo gaao lo, pakad kisi ki wrist
And we twist, we twist, we twist, we twist - 4
