Sab chalate hain, duneeya kee inn raaho me  
Par kya karu hai nasha koyee hawao me  
Abb jamin ko chor ke mujhako bas hawa me udane do  
Udane do, udane do abb mujhko udane do  
Udane do, udane do, udane do  
Abb jamin ko chor ke mujhako bas hawa me udane do  
Jo pee lega bas ek vaaree mere hontho de pehmaanee  
Gee hai huwega phir usda oh yaar mere rab jaane  
Ham yaar divaane kab honge, aankho me sitaare jab honge  
Armaan hamaare iss dil ke pure na jaane kab honge  
Abb jamin ko chor ke mujhako bas hawa me udane do  
Udane do, udane do abb mujhko udane do  
Udane do, udane do, udane do  
Kuchh log mohabbata karde ne, par kehne ko bhee darde ne  
Kyon rab te shikaayat aandi yeh, kyon thandiya hawa parde ne  
Dil ho kaise khaamosh abhee, kuchh kuchh hai salaamat hosh abhee  
Abb tak yeh tamanna baakee hai, pure na huwe madhosh abhee  
Abb jamin ko chor ke mujhako bas hawa me udane do  
Udane do, udane do, duneeya kee inn raaho me  
Par kya karu hai nasha koyee hawao me  
Abb jamin ko chor ke mujhako bas hawa me udane do  
Udane do, udane do abb mujhko udane do  
Udane do, udane do, udane do
