Udhar teri nazar badali idhar badala jahaan mera
Zamin badali falak badala thikaana ab kahaan mera
Jise dil mein basaaya usane hi dil ke kiye tukade
Kabar kya thi bahaarein luut lengin gulasitaan mera
Udhar teri jafaayein hain idhar meri vafaayein hain
Liye ja bewafa jab tak tu chaahe imtehaan mera
Hai dil ghaayal jigar zakmi ye jina koyi jina hai
Mita de do jahaan vaale mita de ab nishaan mera
