Chann se bole chamake jab charar bole
Kwaab dekha hai aankh kaa khumaar bole
Kwaab chalke toh aankh se tapake bole
Channa chlake toh pura aabshar bole
Urju urjdurkut urju urjdurkut
La la la la urju urjdurkut
Tank tank tank tank tana tana
Chann se bole chamake jab charar bole
Kwaab dekha hai aankh kaa khumar bole
Kwaab chalke toh aankh se tapake bole
Channa chlake toh pura aabshar bole
Urju urjdurkut urju urjdurkut la la la
Naa naa naa naa naa
Hare kwaab kee yeh haree chudiya
Kalaayee me kisne bharee chudiya
Utee nind se chalee aayee me
Saath hee aagayee meree chudiya
Ankh bole kwaab kwaab deelte raho
Roj koyee ek chaand bhelte raho
Chaand tute toh tukde tukde baat lena
Bol pahiya hai rat din takelte raho
Urju urjdurkut urju urjdurkut la la la
Urju urjdurkut urju urjdurkut
Chann se bole chamke jab charar bole
Kwaab dekha hai aankh kaa khumaar bole
Kwaab chalke toh aankh se tapake bole
Channa chlake toh pura aabshar bole
Urju urjdurkut urju urjdurkut la la la
Hmm hmm.....
