Usko nahee dekha hamane kabhee  
Par isakee jarurat kya hogee  
Ai man, ai man teree surat se alag  
Bhagvan kee surat kya hogee kya hogee  
Usko nahee dekha hamane kabhee.....  
Insaan toh kya devata bhee, aanchal me pale tere  
Hai swarg isee duniya me, kadmo key tale tere  
Mamata hee lutaye jisake nayan, hot  
Mamata hee lutaye jisake nayan  
Aisee koyee murat kya hogee, ai man ai man tere.....  
Kyon dhup jalaye dukho kee, kyon gam kee ghata barase  
Yeh hath duwao wale, rehte hain sada sar peh  
Too hai toh andhere path me hame ho.....  
Too hai toh andhere path me hame  
Suraj kee jarurat kya hogee, ai man ai man tere.....  
Kehnte hain teree shan me jo, koyee unche bol nahee  
Bhagvan key pas bhee mata, tere pyar kaa mol nahee  
Ham toh yahee jane tujhse badee ho...  
Ham toh yahee jane tujhse badee  
Sansar kee daulat kya hogee, ai man ai man tere.....
