Zindagi ke ghubaare ne kaisa ambar chu daala haan
Taaron ka rang pila hai aur chand ka hai kala kala haan
Diwala nikla rishton ka, pyar ki garmi fisli
Chahat ki awazon mein sikon ki khan-khan ghus gayi
Bada.. bada utt pataang hai, bada utt pataang hai
Sab kuch sab kuch sab kuch bada utt pataang hai
Sab kuch sab kuch sab kuch bada utt pataang hai
Jhute sache kuch sapne apni palkon pe dhar ke
Biba yunhi nikal padeh jaane kyun apne ghar se
Ek duje ki shakal pe apni hi kahani padhte hain
Ehsaason ki sidhi mein roz atak te girte hain
Phir umeedon ki tehni pe naye gul khilaati hai
Jinay ki khaatir phir se yun nain jugaad bithati hai
Zindagi patli gali mein ghus gayi
Bada, bada utt patang hai, bada utt pataang hai
Sab kuch sab kuch sab kuch bada utt pataang hai
Sab kuch sab kuch sab kuch bada utt pataang hai
Lamha lamha buni thi jo pyar bhari si kuch batein
Dono ki thi saanji jo sukh dukh ki woh saughatein
Sehmi sehmi si hai kyun, jaane kyun woh royee hai
Anjane mein hi sab ne asli daulat khoyi hai
Dil ko dil ki kehne do, apne rang mein behne do
Jodh todh kuch bhi kar lo, pyar ko pyar hi rehne do
Zindagi phir na kehna kyun rusk gai
Bada, bada utt pataang hai, bada utt pataang hai
Sab kuch sab kuch sab kuch bada utt pataang hai
Sab kuch sab kuch sab kuch bada utt pataang hai
