Maahiya, vaada raha  
Maahiya  
Vaada raha dunga tujhe laake hanshi shaam-o-subah  
Maahiya, maahiya....  
Vaada raha dunga tujhe laake hanshi shaam-o-subah  
Vaada raha lipata huwa honto pe tu hoga sada  
I promise, i promise will always love you  
I promise, i promise, will be there for you  
Maine tujhame jahaan hai paya, tu banake duwa hai aaya  
Yuun hi mujhape rahein tera saaya meherbaan  
Ho teri aankhon mein mera jahaan hai, tu hoke wahaan bhi yahaan hai  
Tera jaisa sukun kahaan hai meherbaan  
Rab ne barsaayi mujhape saari khudaai  
I promise, i promise will always love you  
I promise, i promise, will be there for you  
Jab jab tu milata hai, rota dil hasata hai  
Mujhamein tu basata hai har jagah  
Yeh kaisa rishta hai najaron se lipata hai  
Tu hi tu dikhata hai har jagah  
Ho rab ne barsaayi mujhape saari khudaai  
I promise, i promise will always love you  
I promise, i promise, will be there for you  
Mere dil ki aahon ke dhadkan ke baahon ke  
Tu shaamil raahon ke darmiyaan  
??huta hoon toh haathon ke lab kholu toh baaton ke  
Tu hi din raaton ke darmiyaan  
Rab ne barsaayi mujhape saari khudaai  
I promise, i promise will always love you  
I promise, i promise, will be there for you  
I promise.....
