Mede thi kain laavjo mari haathu vaalida
Pann vehlera tame aavjo mara valalm vhalida
Tame vhaal no dariyo ame tarsya vhalida
Ke vehlera tame aavjo...

Ho tera piya itna haseen kaise
Mujhse yeh puchhe aaina
Mera hi hai kya yeh naseeb
Ab bhi yaqeen aaye na

Main teri nazar utaarun
Tujhe jag se sambhaalun
Koi aanch tujhpe aaye na..

Tujhe jitna main pyaar karun yaara
Kisi aur se na kiya... kiya...
O.. tujhe toot ke jo maine nahi chaaha
Toh pyaar hi kya kiya.. ho...

Tujhe jitna main pyaar karun yaara
Kisi aur se na kiya.. ho..

Mede thi kain laavjo mari haathu vaalida
Pann vehlera tame aavjo mara valalm vhalida
Tame vhaal no dariyo ame tarsya vhalida
Ke vehlera tame aavjo...

Ho.. reshama ke dhaage
Pedon pe baandhe
Maine kahaan the kabhi
Par aasmaan mein apne sitaare
Jud hi gaye phir bhi

Main teri nazar utaarun
Tujhe jag se sambhaalun
Koi aanch tujhpe aaye na..

Tujhe jitna main pyaar karun yaara
Kisi aur se na kiya.. kiya...
O.. tujhe toot ke jo maine nahi chaaha
Toh pyaar hi kya kiya.. ho...

Mede thi kain laavjo mari haathu vaalida
Pann vehlera tame aavjo mara valalm vhalida
Hoon prem no maado, taaro udta pankhida
Ke vehlera tame aavjo...
