Yahan se 50-50 kaus door  
Gaaon main jab raat ko  
Koi bacha rota hai  
Toh maa kehti hai beta soja  
So ja..so ja varna  
Veerappan aa jayega  
Saaya iska saaya kafan hai  
Isme zinda krodh dafan hai  
Naash karega vinash karega  
Sanki sabka naash karega  
Singh ka garjan dusht hai durjan  
Maut ka aalingan  
Veer veer mera veer veer mera veer veer  
Mera veer veerapan  
Veer veer mera veer veer mera veer veer  
Mera veer veerapan  
Lala lala lori  
Khoon ki katori  
Peeke ise zara sa  
Raakshas kare tamasha  
Narsanghar ki iss lagan hai  
Adam khor isi main magan hai  
Nasht karega tabaah karega  
Rahon main yeh laash bharega  
Kaal ka kanppan khauff ka darshan  
Maut ka aalingan  
Veer veer mera veer veer mera veer veer  
Mera veer veerapan  
Veer veer mera veer veer mera veer veer  
Mera veer veerapan  
Jungle jungle baat chali hai pata chala hai  
Veerapan khoon karne ko nikla hai  
Yeh khooni paatal karan hai  
Khud ke maathe ka chandan hai  
Jung karega fassad karega  
Rakaakshas hai barbaad karega  
Krodh ka makan paap ka sumran  
Maut ka aalingan  
Veer veer mera veer veer mera veer veer  
Mera veer veerapan  
Veer veer mera veer veer mera veer veer  
Mera veer veerapan
