Vibe hai yeh Mumbai ki, chalo leke sath
Aai Gully Gang aai leke nashila padarth
Badi halchal har jagah batti khairaat
Haq se bolte aaj itihaas itihaas

Toh yeh sunneka nahi tera man hoga aaj
Karte karte masti banadete aag
Toh hilateja sar ko ab rukna nahi hai
Yeh zehrifa flow jo na lene de saans

[D'Evil]

Apne gardan pe hickie
Tere gardan pe knife hai
Shahara jab maango to slice hai
Aisi hi life hai
Hard apne boys hai, pooch le
Bambai mein apna hi noise hai
Apni Jo voice hai
Dhurandaro ki wo choice hai,
Bole toh vibe hai
Bole toh vibe hai

[Sledge]

Aakhir ke vibe mein peeche ki wicket hai
Mumbai ke vibe mein local ki ticket hai
Umar se farak kya baatein ghaseetey
Jo likha hai aana hai utna naseeb mein
Saare bas dheet hai
Saare bas dheet hai
Sick mera beat hai
Zindagi reet hai
Zindagi cheat hai
Aankhein nasheeli nishaane sateek hai

[Shah Rule]

Big belly rude boy vibe
Pen in my hand with pina colada
Your girl going south like colaba
Cap on my head but she loves the bandana
My ex don't exist like wakanda
400050
I only want beef in my momos
Flow like Big, my attitude Shakur
Catch me in the kitchen like I'm Sanjeev Kapoor
