Vichode jinah de yaar de jaande  
Uh jeoundiyan jee mar jaande  
Vang sudaaiyan  
Yaar di yaad vich  
Ronde te kurlaonde  
Preet de naal koi akhiyan na laye  
Rog hi jarda sadiyan sataye  
Preet de naal koi akhiyan na laye  
Rog hi jaisa sadiyon sataye  
Vichodiyan ne maar liya  
Judaiyon ne maar diya  
Kiven jeevan mainu  
Samajh na aaye  
Kaise jeeyun mujhe  
Samajh nahi aata  
Zindagi vich vala  
Zehar haththi kho liya  
Thoda jinna pyar deke  
Saara sukh kho liya  
Na main jaagan na main sovan  
Chori sajjana to rovan  
Sunjhe aasan vaale boohe  
Kade khola kade thova  
Aasha wale darwaja  
Kabhi kholu kabhi dhakelu  
Sajjan bekadari di mainu  
Har dum yaad sataye  
Kiven jeevan mainu  
Samajh na aaye  
Pyar wali khed khedi  
Jhalle ho gaye haan  
Aisa kitta pyar asi  
Ikalle ho gaye haan  
Pehlon has has laaiyan  
Pehle haas haas lagan lagayi  
Phir ditiyan judaiyan  
Mere pyar diyan uhne  
Zara kadaran na payian  
Sachcha yaar kehnde  
Uhnu jehda lagiyaan di laaj nibhaye  
Hay jehda lagiyaan di laaj nibhaye  
Hay jeevan mainu samajh na aaye  
Hay jeevan mainu samajh na aaye  
Jeevan mainu samajh na aaye.
