Take your time  
I'll be fine  
I won't give up  
When you wake up  
I'll be here by your side..-2  
Waiting for you  
Is not that else can i do  
Waiting for you  
Waiting for you to come home  
Will you come home..  
Hold my hand  
Understand  
You are not alone  
Days come and go  
And i'll be here by your side  
Ohh...i'll be here by your side  
Waiting for you  
Is not that else can i do  
Waiting for you  
Waiting for you to come home  
Will you come home..
