Aise na ja tu rooth ke jaaneja  
Abb maan jaa o sanam abb maan jaa  
Mana huyi hai khata  
lekin ye dil hai tera  
Ab tu ise aur na aise sata  
I wanna wanna wanna  
take u home with me  
Right now right now  
I wanna gonna gonna  
take u home with me  
Somehow somehow  
I wanna wanna wanna  
take u home with me  
Right now right now  
I wanna gonna gonna  
take u home with me  
Somehow somehow  
Aise na tum bhi tamaashaayi bano  
Kuch jara sharm bhi toh karo  
Log saare humpe hasenge jaan lo  
Soch lo waqt hai soch lo  
Tumse kuch na kaho tumse duri rakho  
Tumse bas ho gaya abb chalo  
Hey tumse hasin raat hai  
Taaron bhari raat hai  
Dulhan bani raat hai abb maan ja  
I wanna wanna wanna  
take u home with me  
Right now right now  
I wanna gonna gonna  
take u home with me  
Somehow somehow  
I wanna wanna wanna  
take u home with me  
Right now right now  
I wanna gonna gonna  
take u home with me  
Somehow somehow  
Kaise main baatein teri yeh maan lu  
Sach hai kya jhut kya kya pata  
Chaand taaare teri gawaahi de magar  
Phir bhi yeh dil nahi maanata  
Dil ko kuch na kaho dil ko duri rakho  
Hey dil ko bas ho gaya abb chalo  
Dil ko tere hai yakin  
hoothon par hai kyun nahi.  
Tu hai jahaan main wahin o meri jaan  
I wanna wanna wanna  
take u home with me  
Right now right now  
I wanna gonna gonna  
take u home with me  
Somehow somehow  
I wanna wanna wanna  
take u home with me  
Right now right now  
I wanna gonna gonna  
take u home with me  
Somehow somehow
