Tera hoon main, teri hoon main
Tera ragoon, teri ragoon
Yahaan wahaan baatein chale, jo bhi dekhe sabhi kahein
We are in love love love, we are in love
Baahein leke baahon mein, ghumenge hum raahon mein
Dekhe toh sab dekh le, sharmaaye hum kyun kisi se
Tu jo chale sang mere, ho gulaabi yeh sabere
Yahaan wahaan baatein chale, jo bhi dekhe sabhi kahein
We are in love love love, we are in love
Haay haay haay haay
Yeh english waala haay nahi, hindustani waala haay hai
Magar aisi haay kyun
Dekha sapana raat ko, bhula na uss baat ko
Aisa dekha khaab kya mujhako bhi toh batale
Dushman apne pyaar ke chhinake tujhako le gaye
Chikh thi tere hono pe mujhako bachhao bachhao
Jaan rahe ya na rahe, main yeh kahu tu yeh kahein
Yahaan wahaan baatein chale, jo bhi dekhe sabhi kahein
We are in love love love, we are in love
