Everybody!
Neendon ko keh do na aana
Raaton ko keh do na jaana
Jo na karna aao woh kar lein
Paas to aa lab chhoo lein
Baahon mein aa meri sun ja
And all i wanna say
We go party party party party
Party party everyday everyday
We go party party party party
Party party everyday everyday
Everybody party, everybody party
Dheere dheere saare diye aao bujha dein
Tere liye mere liye taare jala lein
Dhadkanon ko ab na roko
Jo hona ho jaaye
Mera hoja, meri sun ja
And all i wanna, all i wanna
All i wanna say
We go party party party party
Party party everyday everyday
Everybody party, everybody party
Yeh jo hai kya sach hai ya hai sapna
Apna hai kya phir hai anjana sa yeh jahan
Ta ta ta tauba saturday night
Jo bhi hai wrong woh right
C mon closer baby
Don t you want me to bite ha ha
Thodi si aur pee le
Iss pal mein aur jee le
Sochenge kal ko kya hai life
Aur kya hai apni feeling
