Yeah we rock we rock we rock on  
Tum yeh jaano na tum mein baat hai kya, sara jahan tumpe hi fida hai  
Masti ki hai taal aaja jhumein yaar, jara cool yeh apni ada hai  
Jaadu sa chalta hai, sur jab chalakta hai si me maja sa bhara hai jara  
Sitaaron bhara apna jahan, ke khwabon ki hai manjil aasmaan  
We rock we rock we rock we rock on  
Aa karein jara mitha sa shor, iraadon mein hai apane bhi jor  
We rock we rock we rock we rock on  
Music me hai fun aur hum jo hain sang  
We gonna do it all in our own way  
Rukna abb kaisa chupana abb kaisa, khulake maangenge sab jindagi se  
Jadu sa chalta hai sur jab chalakta hai ismein maaja sa bhara hai jara  
Sitaaron bhara apna jahan, ke khwabon ki hai manjil aasmaan  
We rock we rock we rock we rock on  
Aa karein jara mitha sa shor, iraadon mein hai apane bhi jor  
We rock we rock we rock we rock on  
Haan koi saanson mein hai, dhun jara sa gaur se tu sun  
Hai issme josh jo roke se na rukta hai, we rock we rock on  
Har ek din aur har ek raat, we rock we rock on  
Har ek bat mein hai ek baat  
Sitaaron bhara apna jahan, ke khwabon ki hai manjil aasmaan  
We rock we rock we rock we rock on  
Aa karein jara mitha sa shor, iraadon mein hai apane bhi jor  
We rock we rock we rock we rock on
