Welcome everybody come welcome, welcome to the party welcome
Has another gal for everyone, welcome welcome welcome.....
Ishqa da yeh nasha, chakh le zara zara
Kal ka kise pata, aaja mere sang nachle tu, nachle zara zara
Dil ka karoon main kya, tujhpe yeh mar mita
Mujhko na abb sata, aaja mere sang nachle tu, nachle zara zara
Masti ka mauqa hai, kyun khud ko roka hai, dont u really wana cum
Welcome, welcome, welcome
Welcome everybody come welcome, welcome to the party come welcome
Has another gal for everyone, welcome welcome welcome
Hey hi ho, say hello, welcome to the party
U my love, dont u wana know, whats goin on the party
Welcome, welcome, welcome
Soche woh mujhe toh muskuraau main o o o
Dekhe woh mujhe toh sharmaau main
Tere bin dil mera, mera, mera nahi lagta o o o
Tujh bin kahin na mar jaau main
Kuch to zara socho, kuch to zara samjho, hai paas jab tere hum
Masti ka mauqa hai, kyun khud ko roka hai, dont u really wana cum
Welcome everybody come welcome, welcome to the party come welcome
Welcome has another gal for everyone, welcome welcome welcome
Ishqa da yeh nasha, chakh le zara zara
Kal ka kise pata, aaja mere sang nachle tu, nachle zara zara
Dil ka karoon main kya, tujhpe yeh mar mita
Mujhko na abb sata, aaja mere sang nachle tu, nachle zara zara
Masti ka mauqa hai, kyun khud ko roka hai, dont u really wana cum
Welcome everybody come welcome, welcome to the party come welcome
Welcome has another gal for everyone, welcome welcome welcome
