Tabdiliyaan jahaan ki rasmo riwaaj kya hai
Yeh log jaante hai, kal kya tha, aaj kya hai
Woh bhi ek daur tha, yeh bhi ik daur hai
Woh jahaan aur tha, yeh jahaan aur hai - 3
Jindagi ke hai chehre kayi, aur isape hai pehre kayi
Dekhiye toh yahaan kuchh nahin, sochiye kaabile gaur hai
Woh bhi ek daur tha, yeh bhi ik daur hai
Woh jahaan aur tha, yeh jahaan aur hai
Jindagi ke naye saanz par, kyun thirkate hain ujale badar?
Loot gayi hai kalin ki hasin, chhin gaya phool ka baakpan
Khaamoshi mein bada shor hai
Woh bhi ek daur tha, yeh bhi ik daur hai
Woh jahaan aur tha, yeh jahaan aur hai
Shaayari shaayari dil ki aawaaj hai meri - 6
Kisko sunaaye kisho bataaye duniya ki daastan
Hamse kafa hai hamse juda hai kal the jo meherbaan
Shaayari shaayari dil ki aawaaj hai meri
Aao dilon ko phirse milaaye kirdaar nek ho
Duri bhulaake nafrat mitaake hum phirse ek ho
Hum phirse ek ho, ek ho, hum phirse ek ho, ek ho.....
