Woh chaand muskaaya, sitaare sharmaaye
Hamaara bhi dil na machalane lage
Jo haath mein hamaare yeh haath hai tumhaara
Diye se nigaaho mein jalane lage
Woh chaand muskaaya
Aa ha ha ha.....
Thandi thandi chanda ki kiran, jalati jalati saanson ki hawa
Kya naam hai iss mausam ka sanam, pyaase hai magar phir bhi hai nasha
Aane lagi angdaayi, ke jaise koyi rut badalane lage
Woh chaand muskaaya, sitaare sharmaaye
Hamaara bhi dil na machalane lage
Woh chaand muskaaya
Khoya hai kuchh aisa aaj sama, behake behake uthate hai kadam
Yu pyaar bhari inn raahon mein, chalte hi rahenge ghum ke hum
Hum jo chale milake gale, khili chaandani rang uchhalane lage
Woh chaand muskaaya, sitaare sharmaaye
Hamaara bhi dil na machalane lage
Jo haath mein hamaare yeh haath hai tumhaara
Diye se nigaaho mein jalane lage
Woh chaand muskaaya
