Wo chaand  
Wo chaand nahi hai  
Dil hai kisi deewane ka  
Dil hai kisi deewane ka  
Wo chaand  
Aakash jise kahati duniya  
Aakash jise kahati duniya  
Wo naam hai ik virane ka  
Deewane ke dil ki hi tarah  
Deewane ke dil ki hi tarah  
Wo raato jalata rahata hai  
Is nid ki maati nagari me  
Wo kuchh na kisi se kahata hai  
Hai us me shamaa ki bechaini  
Hai us me shamaa ki bechaini  
Aur pyaar bhi hai paravaane ka  
Jab se pahal se gaya hai dil  
Kisi pahal nid nahi aati  
Jo surat dil men samayi hai  
Jo surat dil men samayi hai  
Wo surat dil se nahi jaati  
Wo surat dil se nahi jaati  
Aao aanchal patalaa jaao  
Kya raat hai dil me samane ka  
Kya raat.
