Haaye marhabaa!  
Haaye marhabaa!  
Haaye marhabaa!  
Woh chori, badi dangerous!  
Woh chori, mysterious!  
Woh chori, injurious!  
Woh chori  
Woh gori gori chori, badi dangerous  
Woh chori, mysterious  
Woh chori, injurious  
Woh chori  
Woh chori woh gori gori She is the best baakiyon ko ghar bhej do  
Meri banegi ye, isko na dekho  
Gola bomb ka puff hai ye dum ka  
Sukoon jaise sardi mein peeya maine rum  
Thoda num hoon slow kar deti hai  
Paas aake jab no kar deti hai  
Feeling saari low kar deti hai  
Ego mere aage jab show kar deti hai  
Mere andar ka shayar jaga ke lagati hai fire  
Woh jalwe dikha ke  
Bulati mujhe aur apne bina shor kare  
Aankhon mein aankhein mila ke  
Bang bang boom boom bada bang bang  
Iske aage fail mere saare plan  
Seena thokk ke bolun beat rok ke  
Banke rahunga baby tera man Woh chori, badi dangerous!  
Woh chori, mysterious!  
Woh chori, injurious!  
Woh chori  
Woh gori gori chori, badi dangerous  
Woh chori, mysterious  
Woh chori, injurious  
Woh chori woh gori gori Mashuka mashuka main premika re premika  
Tujhko mill jaungi jo kismat mein teri ho likha  
Afsana afsana asaan nahi mujhko paana  
Thoda tadpaungi, tu pehla nahi hai deewana Main chori, jaanlewa hoon  
Main chori, dil main le jaun  
Main chori, dilnasheen banke  
Dilbaro ke dil ko tadpaun Woh chori, badi dangerous!  
Woh chori, mysterious!  
Woh chori, injurious!  
Woh chori woh gori gori chori, badi dangerous  
Woh chori, mysterious  
Woh chori, injurious  
Woh chori woh gori gori Mohtarma mat ghabra  
Mat sharma, mat katra  
Mujhse nahi hai tujhe koi khatra  
Mujhko toh tera dhyaan hai rakhna (x2) Hey meri kar kadar jaan  
Main hoon tera kadardaan  
Baakiyon ko  
Main hoon tera lover jaan Hey hey!  
Na karegi tu agar jaan  
Toota jo saabar  
Khud ki khod lunga kabar jaan Tu karti hai itt itt  
Deti mujhe trip trip  
Ho jata main flip flip  
Chik chik karne wali na chick tu  
Baby tu hai bomb zara tick tick tick Woh chori, badi dangerous!  
Woh chori, mysterious!
