Hamaara kal hamaara aaj, hamaare hi haathon mein hai  
Hamaara kal hamaara aaj, hamaare hi haathon mein hai  
Hamaari jaan hamaara naseeb, hamaare hi haathon mein hai  
Par waqt achu ka hai, hum apne aapko badale  
World hold on instead of messing with our future, tell me no more lies  
World hold on wonder u will have to answer to the children of the sky  
Kabhi toh kuchh jindagi ke baare mein bhi socho  
Kisi ko bhi dobara nahi milati hai yeh dekho  
Na karo yu hi tum apni saansein fanaa  
World hold on instead of messing with our future, tell me no more lies  
World hold on wonder u will have to answer to the children of the sky  
Hai pal jawaan, life ke baare mein bhi socho  
Sulag raha hai yeh jism mera chhu ke dekho  
HoSh mein abb koyi, abb koyi hai kahaan  
World hold on instead of messing with our future, tell me no more lies  
World hold on wonder u will have to answer to the children of the sky  
Hamaara kal hamaara aaj, hamaare hi haathon mein hai  
Par waqt aaj ka hai, hum apne aapko badale  
World hold on instead of messing with our future, tell me no more lies  
World hold on wonder u will have to answer to the children of the sky.
