Yaad aati hai yaad aati hai
Yaad aati hai yaad aati hai
Mann ki woh chhainya
Woh pyari bainya
Jwar ki roti woh
Phut ki chhoti
Savani jhule kaise dil bhule
Ho o o yaad aati hai
Kaleja chir jati hai
Yaad aati hai yaad aati hai
Yaad aati hai yaad aati hai
Ho ho ho o
Koso milo se bhi lambi
Dilbar teri judayi
Koso milo se bhi lambi
Dilbar teri judayi
Hoti hai jo sham toh
Mujhko kate hai tanhayi
Nind nahi aati hai too
Bhi kaise soti hogi
Mej pe meri photo
Rakhke rat ko roti hogi
Dil me teri yaade hain
Honto pe tere tarane
Dil me teri yaade hain
Honto pe tere tarane
Abb tujhse kab milna hai
Yeh janey rab hi janey
Yeh toh rab hi janey
Yaad aati hai yaad aati hai
Yaad aati hai yaad aati hai
Yaad aati hai kaleja chir jati hai
Yaad aati hai yaad aati hai
Yaad aati hai yaad aati hai
Ho ho ho o
Chori chori chhat pe
Aana kangan khankana
Chori chori chhat pe
Aana kangan khankana
Chhed chhad hansna
Sharmana aur lipat jana
Mehandi bhi naa utri thi
Mai tujhe chhod ke aaya
Nayi naweli dulhan tera
Dil mai tod ke aaya
Dil karta hai sarhad par
Ek bar too milne aaye
Dil karta hai sarhad par
Ek bar too milne aaye
Phir chahe tope chal jayen
Chahe maut aa jaye
Chahe maut aa jaye
Yaad aati hai yaad aati hai
Yaad aati hai yaad aati hai
Yaad aati hai kaleja chir jati hai
Yaad aati hai yaad aati hai
Yaad aati hai yaad aati hai
Ho ho ho o
Yaad aati hain jab jab
Teri gud se mithi bate
Yaad aati hain jab jab
Teri gud se mithi bate
Dil me hove halchal
Aankho se hoti barsate
Lekin abb sarhad par
Maine apna farj nibhana
Fatah se pahle meri
Sajni mai wapas nahi aana
Khud par karna naj jo
Ladte ladte mai mar jau
Khud par karna naj jo
Ladte ladte mai mar jau
Hans kar karna vida
Tirange me jo lipta aau
Me jo lipta aau
Yaad aati hai yaad aati hai

Yaad aati hai yaad aati hai
Yaad aati hai kaleja chir jati hai
Yaad aati hai yaad aati hai
Yaad aati hai yaad aati hai.
