Yaad aayega hame chhod ke jaane wala  
Baat khudari ki duniya ko sikhane wala  
Apni aajadi pe har shay ko lutane wala  
Aaj duniya ko anmol nishani de kar ja raha hai  
Lo hume chhod ke jaane wala ja raha hai  
Lo hume chhod ke jaane wala  
Usne chaha ke chaman uska ye azad rahe  
Par ek bhi dastar na jhukne paye  
Dam kitana bhi bhala koi lgaye  
Lakin apni maati ka koi rang na bikane paaye  
Apni maati ka koi rang na bikane paaye  
Yaad aayega hame chhod ke jaane wala  
Waqt ruk sak jo harek se andhera chhaya  
Aisa lagta h ke suraj bhi kahi khoya hai  
Jo wasulo pe jeeya uske gujar jaane pe  
Dost to dost hai dusman bhi bahot roya hai  
Yaad aayega hame chhod ke jaane wala
