Nagame hain shikawe hain, kisse hain baate hain  
Baate bhul jaatee hain, yaade yaad aatee hain  
Yeh yaade kisee dilo jaanam ke, chale jaane ke bad aatee hain  
Yaade, yaade, yaade.....  
Sa ga re ga sa re nee sa sa sa  
Sa pa ma pa ma pa ga ma ga  
Sa pa ma pa ma pa ga ma ma pa  
Sa ga re ga sa re nee sa sa sa  
Bandhan ho toh chhode, darpan ho toh tode  
Ham sab hain mushkil me, yeh dil hai iss dil me  
Yaade, yaade, o yaade  
Nagame hain shikawe hain, kisse hain baate hain  
Baate bhul jaatee hain, yaade yaad aatee hain  
Yeh yaade kisee dilo jaanam ke, chale jaane ke bad aatee hain  
Yeh yaade, han yeh yaade, yaade  
Yaade, yaade, yaade  
Duniya me ham saare, yaado ke hai maare  
Kuchh kushiya thode gham, yeh hamse inase ham  
Yaade o mithee mithee yaade, khattee mithee yaade  
Nagame hain shikawe hain, kisse hain baate hain  
Baate bhul jaatee hain, yaade yaad aatee hain  
Yeh yaade kisee dilo jaanam ke, chale jaane ke bad aatee hain  
Yaade, yaade, oh yaade.....
