Yaado me aksar aate rahe, kuchh pal hansate rulaate rahe  
Tumko bhula naa paaye kabhee, lagata hai tum saath me ho abhee  
Kya khub lamhe hain, ham aaj phir se hain saath  
Udake chale aasmaan ke par, jinakee tamanna hai baar baar  
He he la la la la, he la la la la aa ha....  
Bikhare huye khaab kitane, aankhe hain khud me basaaye  
Khaabo me naa mil sake jo, aao unhe dhundh laaye  
Phir ho ke sach khaab apane, chalane lagenge saath saath  
Samajho naa tum yeh jara see bat  
Samandar ke laharo ko dekho, tute magar tham naa jaaye  
Saahil se milane kee khaatir, le ke ummide woh aaye  
Ham tum bhee laharo kee tarah, milate rahenge baar baar  
Lamhe yeh aayenge baar baar
