Yad teree aayegee, mujhko bada satayegee
Jid yeh jhuthée, teree meree jan leke jayegee
Yad teree.....
Teraa sath chhuta tuta dil ka khilona
Kitna hai mushkil dil se yar ko bhulana
Dil ka humesha se hai dusman jamana
Ram yeh hai tune mujhe na pehchana, na pechchana
Yad teree.....
Bujh gaya suraj jale chand tare
Najre dhuaa hai dhuaa sare najare
Mujhe dil lagane kee kya tune saja dee
Bina soche samjhe dil ke duniya jala dee
Duniya jala dee
Yad teree.....
Has ke sahunga sare duniya ke yeh ghum
Mar bhee gaya tho hoga pyar nahee kam
Cheen le tujhe jo mujhse kisme hai yeh dum
Tan se juda hai tho kya ek jan hain ham, ek jan hain ham
Ek jan hai ham, yad teree.....
