Yaha mai ajanabee hu
Mai jo hu bas wohee hu
Yaha mai ajanabee hu
Kaha sham aur shehar, yeh kaha din rat mere
Bahut rusva huye hain, yaha jasbat mere
Nai tahrib hai yeh naya hai yeh jamana
Magar me adamee hu wahee sadiyo purana
Mai kya janu yeh baaten jara insaf karna
Meree gustakhiyo ko khudara maf karna
Yaha mai ajanabee hu
Teree baaho me dekhu sanam gairo kee baahen
Mai layunga kahan se bhala aisee nigaahe
Yeh koyee rasta hoga koyee dastur hoga
Mujhe dastur aisa kahan manjur hoga
Bhala kaise yeh meraa lahu ho jaye panee
Mai kaise bhul jaau mai hu hindustanee
Yaha mai ajanabee hu
Mujhe bhee hai shikayat tujhe bhee toh gila hai
Yahee shikawe hamaree muhabbat kaa sila hai
Kabhee magharib se masharif mila hai jo milega
Jahan kaa phul hai jo wahee gairo khilega
Tere unche mahalme nahee meraa gujara
Mujhe yad aa raha hai woh chhota sa shikara
Yaha mai ajanabee hu
