Here is the story about a boy
And this is how it goes
Impatient vivek aha
What you say now what you say now
Impatient vivek aha yeah
That who we're talking about
Ye banda mast kalandar
Jese gandhi ji ka bandar
Kuri sexy patthe honey hai
Koi us jesi nahi honi hai
Rab ne bana di jori hai
Mast kalandar ye banda dekho mast kalandar
Ye banda mast kalandar
He's so good she's so fine
She's gotta gotta little?
Ye banda mast kalandar
She looks so pretty and he's so cool
What they got is a love so true
Arman sulagte machalte hai
C'mon c'mon vivek on floor
C'mon c'mon vivek don't loose control
Chal pyar ki rah pe chalte hai
Aha yeah what you say now what you say now
Sar-e-aam mohabbat karte hai
Jalne de jo log bhi jalte hai
Lets have a fun lets rock the world
Mahol pe masti chai hai chai hai chai hai
Mast kalandar ye banda dekho mast kalandar
Dil walo ko duniya salamat kare
C'mon c'mon vivek don't loose control
Chal ishq me apna naam kare
Aha yeah what you say now what you say now
Chal ishq hai charkha on kare
Chal khud ko ham badnam kare
Come close to me my destiny
Tujh me hi to duniya pai hai pai hai pai hai
Mast kalandar ye banda dekho mast kalandar
Ye banda mast kalandar
Jese gandhi ji ka bandar
Kurri sexy patthe honey hai
Koi us jesi nahi honi hai
Rab ne bana di jori hai
Mast kalandar ye banda dekho mast kalandar - 4
