Yeh hai meri kahaani, khamosh jindagaani
Sannata keh raha hai, kyun julm seh raha hai
Ek dastaan puraani, tanhaai ki jubaani
Har jakham khil raha hai, kuchh mujhase keh raha hai
Chubhate kante yadon ke daaman se chunata hu
Girati deewaro ke aanchal me jinda hu
Bass yeh meri kahaani, benishaan nishaani
Ek darr beh raha hai, kuchh mujhase keh raha hai
Chubhate kante yadon ke daaman se chunata hu
Girati deewaro ke aanchal me jinda hu
Bajay pyaar ki shabnam mere gulistaan me
Baraste rehte hain har simt maüt ke saaye
Siyahiyo se ulajh padatee hain meree aankhein
Koyee nahi, koyee bhi nahi jo batlaye, kitni der ujaalo ki raah dekhe
Koyee nahi, hai koyee bhi nahi, na pass, na durr
Yeh pyaar hai, dil ki dharkan
Apni chahat ka jo ellan kiye jaati hai
Jindagi hai jo jiye jaati hai, khun ke ghunt piye jaati hai
Khwaab aankhon se siye jaati hai
Abb na koyee paas hai, phir bhée ehसाas hai
Sihayiyo mai ulajhee padee, jeene ki ek aas hai
Yaado ka jungle yeh dil, kaanto se jal-thal yeh dil
Chubhate kante yadon ke daaman se chunata hu
Girati deewaro ke aanchal me jinda hu
