Lehrati huwi raahe khole huwe hai baahe
Ye ham aa gaye hai kaha
Palko pe gehre halke hai reshmi dhundhalke ke
Ye ham aa gaye hai kaha
Aa ye ham aa gaye hai kaha
Woh dekho zara parbato pe ghataye
Hamari dastan holle se sunaye
Suno to zara ye phulo ki wadi
Hamari hi koyi kahani hai sunati
Sapno ke is nagar me yaado ki rehghuzar me
Ye ham aa gaye hai kaha
Ha ye ham aa gaye hai kaha
Jo raaho me hai rut ne sona bikhera
Sunehra huwa tera mera savera
Zamin so gayi barf ki chadaro me
Bas ek aag si jalti hai do dilo me
Hawaye sansanaye badan kanp jaye
Ye ham aa gaye hai kaha
Ha ye ham aa gaye hai kaha
Ye barsat bhi kab thame kaun jane
Tumhe mil gaye pyar ke sau bahane
Sitaro ki hai jaise barat aayi
Hamare liye raat yu dagmagayi
Sapne bhi jhilmilaye
Dil me diye jalaye
Ye ham aa gaye hai kaha
Ha ye ham aa gaye hai kaha
