Ye sooraj chand sitare  
Sab ke liye inke nazare  
Par teri chamak bas  
Mere liye hi hain  
Teri chamak bas  
Mere liye hi hain  
Tu hai noor hamara  
Tuhi mann ke gagan ka sooraj  
Tu mere nain ka tara  
Ye sooraj chand sitare  
Sab ke liye inke nazare  
Par teri chamak bas  
Mere liye hi hain  
Teri chamak bas  
Mere liye hi hain  
Tu hai noor hamara  
Tuhi mann ke gagan ka sooraj  
Tu mere nain ka tara  
Tu tham ke ungli meri  
Abhi sikh raha chalna  
Main har pal saath hoon tere  
Tujhe mushkil nahin sambhalna  
Mat thamna haath kisi ka  
Tu apne pal pal chalna  
Pairo pe khada hone ko  
Khud girna khud hi sambhalna  
Jo karte hain khud pe bharosha  
Jo karte hain khud pe bharosha  
Wo lete nahin sahara  
Tu hi mann ke gagan ka sooraj  
Tuhi mere nain ka tara  
Mangi to khilana kya hain  
Lage nahin jo khudai  
Maine tere hi sapno se  
Ghar ki har cheez sajai  
Hai swarg yaha narak yaha  
Tere haath bigadna sawarna  
Jo khwab adhure chhodu  
Wo khwab tu pure karna  
Chalna tu waha se aage  
Chalna tu waha se aage  
Jaha ruke meri jeevan dhara  
Tuhi mann ke gagan ka sooraj  
Tu mere nain ka tara  
Ye sooraj chand sitare  
Sab ke liye inke nazare  
Par teri chamak bas  
Mere liye hi hain  
Teri chamak bas  
Mere liye hi hain  
Tu hai noor hamara  
Tuhi mann ke gagan ka sooraj  
Tu mere nain ka tara.
