Koi kisi ko kyon chahe apni zindgi me laye
Usse mohabbat kare woh usse wafaye nibhaye
Ye dil haye ye dil haye ye dil
Ye kya bekhudi hai ye kya Khwab hai
Jise isme dekho woh betab hai
Ye hai dard kaisa ye kya pyas hai
Koi to bataye kya ehsas hai
Koi kisi ke paas aaye phir use apna banaye
Usse mohabbat kare woh usse wafaye nibhaye
Ye dil haye ye dil haye ye dil
Ye chahat ki chahat bhi kya cheez hai
Dilo ki bagavat bhi kya cheez hai
Ye tufan to roke se rukta nahi
Jhukane se aashiq to jhukta nahi ho o
Koi kisi pe mat jaye phir uspe jaan lutaye
Usse mohabbat kare woh usse wafaye nibhaye
Ye dil haye ye dil haye ye dil
Na ik pal mohabbat me aaram hai
Ye pagal diwano ka hi kam hai
Jo khushiyo bhara iska aaghaz hai
To mushkil bada iska anjam hai ho o
Sare jaha se takraye koi kisi ko tab paye
Usse mohabbat kare woh usse wafaye nibhaye
Ye dil haye ye dil haye ye dil
Mera dil haye mera dil haye ye dil
Koi kisi ko kyon chahe apni zindgi me laye
Usse mohabbat kare woh usse wafaye nibhaye
Ye dil haye ye dil haye ye dil
Mera dil haye tera dil haye ye dil
