Main singapur se aayi hoon
Apani mast aankhon ka jaam laayi hoon
Aapke liye ulfat ka paigaam laayi hoon
Yeh duniya ek maikhaana hai
Yahaan laakhon pinewaale aate hain
Koyi jaam se pita hai, koyi aankhon se pita hai
Par tu are tu tu kisase piyega sharaabi
Yeh duniya ek maikhaana hai
Chhalakate ubalate yeh saagr, yeh bunde rasili rasili
Thirakati jhapakati yeh palake, yeh aankhein nashili nashili
Aue aankhon mein dore gulaabi
Ha tu ye hey tu tu kisase piyega sharaabi
Yeh duniya ek maikhaana hai
Jawaan dil ko rakhe hamesha, bas ek jaam nichhi najar ka
Jo pite hai inn ?? ki nasha unaka hai raatbhar ka
Sada ki tabaahi kharaabi
Ha tu ye hey tu tu kisase piyega sharaabi
Yeh duniya ek maikhaana hai
Machalati ?? mein, woh masti toh bas naam ki hai
Magar jo inn aankhon se barase yahi asl mein kaam ki hai
Isi mein teri kaamyabi
Ha tu hey tu tu kisase piyega sharaabi
Yeh duniya ek maikhaana hai, yahaan laakhon pinewaale aate hain
Koyi jaam se pita hai, koyi aankhon se pita hai
Par tu are tu tu kisase piyega sharaabi
Yeh duniya ek maikhaana hai
