Hai nasha hai dil mein
Pyaar yun hi
Hai aapna toh sansaar wahin
Jahan neev rakhi ho rishto ke sahaare
Khud ko jo bhula kar jeeta hai
Aapna jo ghum pee leta hai
Phir bhi deta hai khusiyon ki bahaare
Itne kuch alag alag hai
Par dil bhi ek hai
Kitne bhi naamo se jaano
Par dil bhi ek hai
Itne kuch alag alag hai
Par dil bhi ek hai
Kitne bhi naamo se jaano
Par dil bhi ek hai
Mere dil se nikle bas yahi har baar
Yeh hai india, woho
Yeh hai india, woho
Yeh hai india, woho
Yeh hai india, woho

What you can not found on india
Common
Mujhe lagta nahi ki hum kisi se kam hai
Aajaye aapni pe toh dikhaate dum hai
Aaj ki toh chhodo, hum hi karne waale kal pe raaz
O ki invention ho ya, mungal ki karo tum baat
Maana ki dil se sochte hai par tum ye jaan lo
Isro ho, nasha ho worldwide mein pahchan ho
More population hai toh india no 1 hai
Coumo ki â€™ gar baat kahun toh jitna bolun kam hai
Chahe koi religion ho ya chahe language ho
Desh ka design ho ya colour combination ho
Love aur relation *
Very very super hamara concept
Are you with all together,
Can we said this proudly, loudly
Yeh hai india, woho
Yeh hai india, woho.
