Haan hai koi to wajah, to jeene ka maza yuun aane laga
Yeh hawaaron mein hai kya, thoda sa jo naasha yuun chhaane laga
Puchho na pucha mujhe kya hua hai, teri raahon mein aakar
Puchho na pucha mujhe kya milega, teri baahon mein aakar
Yeh ishq haaye baithe bithaaye, jannat dikhaaye haan
O raama, yeh ishq haaye baithe bithaaye, jannat dikhaaye haan
Tode maine saare hi bandhan zamaane tere, todungi na main waada
Aadha hissa mere to dil ki kahani ka tu piya mein baaki aadha
Dekho na dekho mujhe hua hai, teri yaadon mein kho kar
Puchho na puchho mujhe kya, milega teri baaton mein jeekar
Yeh ishq haaye baithe bithaaye, jannat dikhaaye haan
O raama, yeh ishq haaye baithe bithaaye, jannat dikhaaye haan
Mere jaise laakho mile honge tujhko piya, mujhe to mila tu hi
Tu hi mere hoton ki khilti huyi si hasi, gila bhi piya tu hi
Dekho na dekho mujhe kya hua hai, tujhe sapno mein laakar
Puchho na puchho mujhe kya, hua hai teri baaton mein aakar
Yeh ishq haaye baithe bithaaye, jannat dikhaaye haan
O raama, yeh ishq haaye baithe bithaaye, jannat dikhaaye haan
Haan hai koi to wajah, to jeene ka maza yuun aane laga
Yeh hawaaron mein hai kya, thoda sa jo naasha yuun chhaane laga
Puchho na pucha mujhe kya hua hai, teri raahon mein aakar
Puchho na pucha mujhe kya milega, teri baahon mein aakar
Yeh ishq haaye baithe bithaaye, jannat dikhaaye haan
