Mil gayee tujhse najar, ho gaya kuchh yu asar
Bekhudēe see cha gayee, ho gaye ham bekhobar
Dhadkan kee tarah tu dil ke pass hai
Milkar bhee tujhe kyon teree aas hai
Yeh kaisa ehsas hai, ehsas hai, ehsas hai
Dekh kar tujhe sanam jage arman jawan
Chal pada silsila tham gaya saman
Chahat kee tumharee yu mujhme gar gayee hai
Mujhko lag raha hai tu meree jindagee hai
Jo dil me hai kehne ko dil kar raha hai
Magar dil hee dil me yeh dil darr raha hai
Yeh kaisa ehsas hai, ehsas hai, ehsas hai
Mil gaye tum mujhe ek nasha ho gaya
Nind bhee udd gayee chain bhee kho gaya
Aankh yeh tumharee banee hai meree manjil
Ek pal yeh bhanwar hai toh ek pal hai yeh sahil
Teraa nam hoto pe rehne laga hai
Meree hai tu mujhse yeh kehne laga
Yeh kaisa ehsas hai, ehsas hai, ehsas hai
Mil gayee mil gayee tujhse najar tujhse najar
Ho gaya ho gaya kuchh yu asar kuchh yu asar
Bekhudēe see bekhudee see cha gayee cha gayee
Ho gaye ho gaye ham bekhobar ham bekhobar
Dhadkan kee tarah tu dil ke pass hai
Milkar bhee tujhe kyon teree aas hai
Yeh kaisa ehsas hai, ehsas hai
