Likhee hai yeh vidhaata ne, kismat garib kee  
Maatee ke mol bikatee hai, ajamat garib kee..  
Yeh kaise duneeya waale hain, tan ujale hai mann kaale hain  
Yeh kaise duneeya waale hain  
Jab kisee garib ke aangan me, koyee khilke kalee muskaatee hai  
Inn paapee duneeya waalo kee  
Aankho me hawas aa jaatee hai  
Yeh sukhee rotee ke badle, tan badan kharidane waale hain  
Yeh kaise duneeya waale hain  
Jab laaj kee chudee tutee hai, sindur kaa rang pighalata hai  
Uss wakt garib ke sine me  
Ik jwaalaamukhee jal uthata hai  
Phir khud hee jubaan ban jaate hain, yeh hoto ke jo taale hain  
Yeh kaise duneeya waale hain  
Bhagwaan bata kyon dhan waale, nirdhan par aisa julm kare  
Kyon ablaavo kee maang me yeh  
Sindur ke badle raakh bhare  
Yeh aap hee ijat lutate hain, jo ijat ke rakhwaale hain  
Yeh kaise duneeya waale hain, tan ujale hain mann kaale hain  
Yeh kaise duneeya waale hain
