Yeh kaun aaj aaya savere savere  
Ke dil chaunk uttha savere savere  
Kaha rup ne chaand hai chauthavee kaa  
Magar chaand kaisa savere savere  
Gaya mann kaa dhiraj badhee bekalee bhee  
Yeh mujhako hua kya -2 savere savere  
Aate hee ek tarahadar ne dil chhin liya  
Dilruba ban ke diidaar ne dil chhin liya  
Paapee chitwan ke pichhe yaar ne dil chhin liya  
De ke dhokha kisee aiyar ne dil chhin liya  
Aankhon me jaadu baato me shola  
Diya kaisa charaka savere savere  
Yeh kaun aaj aaya savere savere
