Yeh khuda naa janu woh khuda
Yar hi mera toh hai khuda
Yeh khuda naa janu woh khuda
Yar hi mera toh hai khuda
Divane chalte hain
Girte sambhalte hain
Hai phir bhi sab se juda
Yeh khuda naa janu woh khuda
Yar hi mera toh hai khuda
Divane chalte hain
Girte sambhalte hain
Hai phir bhi sab se juda
Beta kal tha abb jane de naa
Kal bhi kal hai woh aane de naa
Beta jo kal tha woh
Abb jane de naa
Kal bhi toh kal hai jo
Woh aane de naa
Aane wale kal ke uss kal ke
Har pal ke aankhon me sapne saja
Yeh khuda naa janu woh khuda
Yar hi mera toh hai khuda
Kehti duniya hamse hamesha
Darte rehna hamse hamesha
Kehti hai duniya jo
Ham naa karenge
Hamse kya darna
Hai ham naa darenge
Yaro kaa woh yara yaari me
Jo yara began haske luta
Yeh khuda naa janu woh khuda
Yar hi mera toh hai khuda
Divane chalte hain
Girte sambhalte hain
Hai phir bhi sab se juda.
