Yeh khuda naa janu woh khuda  
Yar hee meraa toh hai khuda  
Divane chalte hain girte sambhalte hain  
Hai phir bhee sab se juda  
Yeh khuda naa janu woh khuda, yar hee meraa toh hai khuda  
Divane chalte hain girte sambhalte hain  
Hai phir bhee sab se juda  
Beta kal tha abb jane de naa  
Kal bhee kal hai woh aane de naa  
Beta jo kal tha woh abb jane de naa  
Kal bhee toh kal hai jo woh aane de naa  
Aane wale kal ke, uss kal ke har pal ke aakhon me sapne saja  
Yeh khuda naa janu woh khuda, yar hee meraa toh hai khuda  
Kehtee duniya hamse hamesha, darte rehna hamse hamesha  
Kehtee hai duniya jo ham naa karenge  
Hamse kya darna hai ham naa darenge  
Yaro kaa woh yara, yaree me jo yara began haske luta  
Yeh khuda naa janu woh khuda, yar hee meraa toh hai khuda  
Divane chalte hain girte sambhalte hain  
Hai phir bhee sab se juda
