Yeh pal jo hain woh haadse hain
Ya phir likhe yunhi the
Taye hue the pehle hi
Ya phir yeh taye nahi the
Apne begane rishton
Ke maane ko pehchaana
Mrigtrishna hai yeh
Duniya zamana humne jaana
Kyun gire hain toot ke
Jab jude hum kabhi
Bhi nahi the nahi the
Simti lipi sehmi si
Bezaar bezaar
Kyun hai zindagi
Yun hi ghoot ke
Jeenay ka hi naam
Hi naam kyun hai zindagi
Kya bataayen ye rang bhari
Haseen titliyon si kabhi thi
Rengte ke chuon jaise
To nahi thi hoo iss pe na jaane
Kin galtiyon ka hai jurmaana
Mrigtrishna hai yeh
Duniya zamana humne jaana
Kyun gire hain toot ke
Jab jude hum kabhi
Bhi nahi the nahi the.
