Heads kaho yaa tails kaho, par tum toh hamesha meree raho
U r da one, only one
Meree aankho me, mere khwaabo me
Meree dhadkan me, meree saanso me
U r da one, only one
Phulo jaisee tum hanstee ho, inn aankho me tum bastee ho
Tum naajuk ho tum bholee ho, mere dil kee tum mastee ho
U r da one, only one
Abb toh hardam dil kehata hai, too meree prem kahaanee hai
Sadiyo se tujhe chaaha maine, abb tune baat yeh maanee hai
U r da one, only one
Mere dil ne jo socha tha, sab kuchh janam woh tum me hai
Chaahat bhee hai ulfat bhee hai, sab pyaar mohabbat tumame hai
U r da one, only one
Mere dil ne yeh maana hai, tum meraa saath nibhaaoge
Meree dhadkan ke gito ko, mere sang sang tum gaaoge
U r da one, only one
Tum dil bhee ho, tum jaan bhee ho, abb toh apana ek hai sapana
Ham dono hain ek duje ke, bas yahee hame abb hai kehana
U r da one, only one
