Eh ishq nahin asaan, fer vi kita tere naal ve, oh  
Tu taan aadat paake saajna, sada puchda vi nai haal ve, oh  
Tu kol na hovein, bol na howe,  
Kol na howe dil mera rove,  
Dil main farolaan kihde naal ve,  
You know na you know na  
Mera tere bina hunda bura haal ve,  
You know na you know na  
Tu aidaan kyon karda ae mere naal ve,  
You know na oh oh oh  
You know na oh oh oh  
You know na oh oh oh  
You know na oh oh oh.  
Ladaiyan kahton aaiyan,  
Tere mere pyar wich ve,  
Mannâ€™di hath bhannâ€™di,  
Main haan takrar wich ve,  
Main chaundi appan khush rahiye,  
Chal pandit ton vi puch laiye,  
Sade rishte agge khade jo sawal ve,  
Letâ€™s go you know naa  
You know naa mera tere bina hunda bur haal ve.  
You know naa you already know.  
You know naa tu aidaan kyon karda ae mere naal.  
Yo once i got you, i will never let you go.  
I am crazy from the start, i am crazy for the dull.  
I got no girl by my side, i want you for my life,  
People talk the sh\*t at the back, oh, forget this now.  
So, give me your hand,  
Give me your heart girl,  
I donâ€™t give up anything when it comes to you, know, yeah  
I better rock on it.  
Akhiyan paiyan thakkiyan,  
Tere rahwan wal dekh-dekhâ€™ke,  
Aine nahi si, jine karte,  
Tu mere channa maade lekh ve,  
Happy raikoti ve kar kadar taan maadi moti,  
Ve tere naawe karte apne saare saal ve,  
You know na you know na  
Mera tere bina hunda bura haal ve,  
You know na you know na  
Tu aidaan kyon karda ae mere naal ve,  
You know na oh oh oh  
You know na oh oh oh  
You know na oh oh oh  
You know na oh oh oh.
