Yahi nahi hai - 3
Ab jungle jungle aur parbat parbat
Koi hai jo pukaara hai ke andhera hat jayega
Phir basti basti aur galiyon galiyon
Aaya jo sawera, aangan aangan bat jayega
Jis ne aake, hamain jaga ke
Kaha, tum chaaho to yeh hosakta hai
Ummid ki jis ne roshani di hai
Suno kaun hai, suno naam hai uska
Zokkomon - 4
Hum jage hain to chalo sab ko jagade
Jo karna tha par kar na sake ab wo karna hai
Hum main jo karna hai chalo sab ko batade
Ab jo bhi hai sach hai, kehne mein hum main nahi darna hai
Jis ne aake, hamain jaga ke
Kaha, tum chaho to yeh hosakta hai
Ummid ki jis ne roshani di hai
Suno kaun hai, suno naam hai uska
Zokkomon - 4
Man ki haar mein haar hai aur man ki jeet mein jeet
Yeh hi tera garv hai aur yeh hi teri reet
Chahe kahin koi bhi julm ki baat ho to kabhi manenge hum nahi
Kam hai agar umr to kya huwa, hausla kam nahi, josh to kam nahi
Jaan hatheli par hai meri, ham ko ab yeh duniya badalna hai
Ummid ki jis ne roshani di hai
Suno kaun hai, suno naam hai uska
Zokkomon - 6
