Zor lagaake haiya, haiya, haiya, haiya
Zor lagaake haiya, haiya, haiya, haiya
Everybody move you body, ??? get together
???

Ulata pitaara pulata nagaada, duniya khatara dhakka de na yaara
Zor lagaake haiya, haiya, haiya, haiya
Jab ek se ek ko joda, har mushkil ka muh toda
Mili paanch ungali toh bana haath yeh hatoda, haath yeh hatoda...
Tuta sa sitara bheje mein kabaada, duniya khatara dhakka de na yara -2
Zor lagaake haiya, haiya, haiya, haiya
Thoda pagala thoda thoda yeda, har rasta jahaan ka tedha
Har roj hai jhamela, har baat hai bakheda, baat hai bakheda....
Maamala bigaada baj gaya baara, duniya khatara dhakka de na yara
Everybody move you body, ??? get together
???

Ulata pitaara pulata nagaada, duniya khatara dhakka de na yaara
Zor lagaake haiya, haiya, haiya, haiya
